

following actions will be taken in order listed:

(1) The Agency will advise the State Director of the transfer or proposed transfer of the security and reasons why FmHA or its successor agency under Public Law 103–354 cannot approve the transferee as eligible or ineligible. Complete details of the transfer conditions, terms and consideration will be submitted to the State Director with the borrower (transferor) file. Current information on status of the loan(s) owed FmHA or its successor agency under Public Law 103–354 and of any debts owed other lenders on the property will be included with a current appraisal of the FmHA or its successor agency under Public Law 103–354 security and security equity position. The appraisal will be completed in accordance with §761.7 of this title. The Agency will consider the following:

(i) Reasons why continuation of the loan would be in the best interest of the Government.

(ii) The effect continuation of the account will have on the FmHA or its successor agency under Public Law 103–354 program in the area.

(iii) Comments and opinion on adequacy of security and ability of transferor to pay the FmHA or its successor agency under Public Law 103–354 debt.

(2) The State Director will review all information submitted and request additional information needed to reach a decision. This includes advice of OGC. After deciding, the State Director will either:

(i) Return the file to the Agency with instructions to proceed with liquidation of the account in accordance with §1965.26(b) of this subpart and state reasons for the decision; or

(ii) Return the file to the Agency stating reasons for the decision and giving consent to continue the account as an NP loan with instructions for obtaining liability of the transferee, maintaining security position and future servicing. If FmHA or its successor agency under Public Law 103–354 is adequately secured and the entire FmHA or its successor agency under Public Law 103–354 debt will be paid in 5 years or less from date of the transfer, the borrower-transferor can be released of liability under paragraph (f)

of this section and the account serviced in the name of the transferee. If the entire FmHA or its successor agency under Public Law 103–354 debt will not be paid within 5 years from date of the transfer, the borrower will not be released of liability, the account will continue to be serviced in the borrower's name and the borrower will remain liable for the debt under the terms of the security instruments. Advice of OGC will be obtained as needed to determine the borrower's continued liability and adequacy of security.

§§ 1965.28–1965.30 [Reserved]

§ 1965.31 Taking liens or real estate as additional security in servicing FmHA or its successor agency under Public Law 103–354 loans.

Additional liens will not be taken for other loans on marginal land used for the production of softwood timber if the land is presently securing an ST loan.

(a) *Liens.* When taking real estate as additional security, the best lien obtainable will be taken on any real estate owned by the borrower, including any real estate which already serves as security for another loan. Normally, the prior concurrence of the District Director will be obtained. Liens will be taken only when:

(1) Present security for the loan is not adequate to protect the interests of the FmHA or its successor agency under Public Law 103–354, and

(2) The borrower is delinquent, has substantial equity in the real estate to be mortgaged and it is determined that the taking of the mortgage will not prevent the making of an FmHA or its successor agency under Public Law 103–354 real estate loan, which might be needed in the foreseeable future.

(b) *Real estate.* Before taking real estate as additional security for an FmHA or its successor agency under Public Law 103–354 loan the following items will be documented in the running record:

RHS, RBS, RUS, FSA, USDA**§ 1965.50**

(1) The facts which justify taking the real estate lien;

(2) A conservative estimate of the present market value of the real estate to be mortgaged. (It will not be necessary to submit an appraisal of the property to be mortgaged.);

(3) A brief description of any existing liens on the property, and the repayment terms and the unpaid balance on the debts secured by existing liens, unless this is accurately reflected on a recent financial statement; and

(4) The name of the title holder and how title of the property is held. (Title evidence need not be required.)

(c) *Forms.* Each real estate lien taken as additional security for the FmHA or its successor agency under Public Law 103-354 loans will be taken on Form FmHA or its successor agency under Public Law 103-354 1927-1 (state), "Real Estate Mortgage or Deed of Trust for _____ (Insured Loans to Individuals)" unless a State supplement requires the use of a form of mortgage comparable to that which secures the existing loan(s) to be additionally secured. The notes evidencing the FmHA or its successor agency under Public Law 103-354 loans for which the additional security will be taken will be described in the same mortgage.
